Skills

My name is Tyler Storey, I am a Certified Massage Therapist with the FQM as of May 15th, 2025. At this point in time, I am looking to further develop my skills and knowledge, and grow as a practitioner within my field to develop my career to the fullest. I am self driven, efficient, and have a calming personality. I take pride in my work and the connections I am able to make with those around me, whether they be professional or personal. I am currently looking for employment with the goals of growing my knowledge and

Experience

City Center Care / Massage Therapist

January 2023 - April 2023, Vancouver, British Columbia

Working with recovering AA and SA patients in a safe environment, with a focus on appropriate intake, taking special notes of present systemic conditions and orthopedic conditions. Also establishing connections with the patients to allow for a comfortable environment while continuing with treatment.

Simon Fraser University / Massage Therapist

March 2023 - July 2023, Simon Fraser University

Working with Simon Fraser University athletes with a variety of conditions. Including sprains, strains, contusions, tendonitis, etc. In an efficient manner with thorough intake on training/game schedules and administering sports massage when necessary.

Vancouver Career College Student RMT Clinic / Massage Therapist

March 2022 - April 2024, Burnaby, Burnaby British Columbia

Applying knowledge gained through courses and working with patients to give an appropriate, safe treatment that meets their goals, as well as my own. With minimal supervision during the final semesters, allowing for an understanding and confidence in the work being done by myself as a practitioner.

Education

Vancouver Career College / Diploma

September 2021 - March 2025. 5021 Kingsway, Burnaby, British Columbia Final class date - March 11th, 2025

Learning musculoskeletal anatomy, orthopedic/systemic conditions, contraindications and appropriate treatment techniques over the course of 2 years and applying this into the student RMT clinic and dedicated outreaches. This program provided training in Swedish, Myofascial release, Trigger Point release, Neurological treatment, Sports therapy, Injury rehabilitation, etc.

Certifications

Diploma (Registered Massage Therapy): Issued March 11th, 2025

First Aid and CPR-C: Issued (06/25/2022) - Expires (06-24-2025)

Certified Massage Therapist (FQM): Issued May 15th, 2025
